Huck

non-superstitious

Original Text

"I say[] to myself, if a body can get anything they pray for, why don't Deacon Winn get back the money he lost on pork? Why can't the widow get back her silver snuffbox that was stole? Why can't Miss Watson fat up? No, says I to my self, there ain't nothing in it" (p.95).

Miss Watson is teaching Huck about the power of pray, but Huck is not a superstitious person.

Modern Analogy

The use of "乖乖" (Green Kuai Kuai) in modern Taiwanese society is also a superstitious practice.

Huck

Rebellious

Original Text

"Pretty soon I wanted to smoke." (p.89).

Modern Analogy

Huck shows a rebellious attitude towards things that he thinks incorrect or meaningless.

Original Text

Miss Watson would say, "Don't put your feet up there, Huckleberry;" and "Don't scrunch up like that, Huckleberry—set up straight;" and pretty soon she would say, "Don't gap and stretch like that, Huckleberry—why don't you try to behave?" (p.89).

Huck

Rebellious

Original Text

Then she told me all about the bad place, and I said I wished I was there. She got mad then, but I didn't mean no harm. All I wanted was to go somewheres; all I wanted was a change, I warn't particular. She said it was wicked to say what I said; said she wouldn't say it for the whole world; she was going to live so as to go to the good place. Well, I couldn't see no advantage in going where she was going, so I made up my mind I wouldn't try for it. But I never said so, because it would only make trouble, and wouldn't do no good. (p.89)

Miss Watson boasts about the "good place" (heaven) and criticizes Huck's desire for the "bad place" (hell) as wicked.

"All I wanted was to go somewheres; all I wanted was a change"- Huck

"I couldn't see no advantage in going where she was going."- Huck

Explanation

Huck's declaration reveals his desperation to escape the civilizing constraints of society. To him, the "bad place" represents freedom, an unstructured space where he can breathe freely, away from corsets, clean clothes, and church bells.

Huck

Pragmatic/cautious

Original Text

I thought all this over for two or three days, and then I reckoned I would see if there was anything in it. I got an old tin lamp and an iron ring, and went out in the woods and rubbed and rubbed till I sweat like an Injun, calculating to build a palace and sell it; but it warn't no use, none of the genies come. (p.97)

So then I judged that all that stuff was only just one of Tom Sawyer's lies.

I reckoned he believed in the A-rabs and the elephants, but as for me I think different. It had all the marks of a Sunday-school.

Explanation

Huck does not just blindly accept or deny Tom's fantasy; he actually goes out into the woods to test the theory himself.

Huck

Hate the Rules

Original Text

Miss Watson would say, "Don't put your feet up there, Huckleberry;" and "Don't scrunch up like that, Huckleberry—set up straight;" and pretty soon she would say, "Don't gap and stretch like that, Huckleberry—why don't you try to behave?" (p.89).

Explanation

Huck hates the complicate rules in this world, and feels suffocated by the endless list of dos and don'ts, which I've represented here as a literal mountain of paperwork.

Tom

Quixotic

Original Text

"All right. I don't mind; but I say it's a fool way, anyhow. Say, do we kill the women, too?"

No; nobody ever saw anything in the books like that. (p.94) – Tom

Explanation

Tom reads Cervantes' novel literally, missing the point that the book is a satire of people exactly like Tom—those who let books blind them to reality.

Huck & Tom

Original Text

But there warn't no Spaniards and A-rabs, and there warn't no camels nor no elephants. It warn't anything but a Sunday-school picnic, and only a primer-class at that. (p.96)

He said if I warn't so ignorant, but had read a book called *Don Quixote*, I would know without asking.

Tom Sawyer said I was a numskull.

Huck & Tom
